

Team Reactive

Welcome Back, {{FirstName}}

Team Reactive, (info@teamreactive.com), the source of this email, is an email list managed by **Kevin Porter** and **Paul Taira**. We are in your upline. Our goal is to keep important and timely information moving smoothly to all of our Associates/Team Members.

This will allow you to focus on continuing to sponsor new Associates, rather than spend countless hours training each one of them individually. Here are the 'three steps' needed to insure each member of your team is on the mailing list:

- **Step #1.** Just after enrolling a new Associate, go to: www.teamreactive.com and help them fill out the simple mailing list signup form on the right hand side of the page.
- **Step #2.** Shortly thereafter, your new Associate will receive a **confirmation email** in their inbox from **info@teamreactive.com**. Open it, read it, and then **confirm membership** by clicking on the link provided.
- **Step #3.** Add info@teamreactive.com to your approved senders list in your **SPAM** filter applications and in your address/contacts.

THESE THREE STEPS SHOULD BE COMPLETED IMMEDIATELY AFTER SIGNING UP ALL NEW ASSOCIATES!

This mailing list will not be used for any purposes other than promoting ASEA. At no time will your name or email address be sold or used for any other promotion or business venture.

Here's to your best year ever!
